Trip Summary:

We will be working alongside Chris Conti, a Castlevue supported missionary, participating in various outreach events in Lima, Peru. This will include a three day English camp. We are looking for adults who are willing to be used by God to reach others with the Gospel through conversation and common grace relationships. No Spanish is required.

In the Fall of 2005 the Castlevue Missions Committee established the STM subcommittee and commissioned them to prayerfully create a plan for short term missions at Castlevue. We are excited to present three mission trip opportunities for summer 2010. We hope that you will prayerfully consider your involvement by going, praying, supporting and/or communicating. We want the whole body at Castlevue to actively participate in STM for the glory of the Lord!

The Philosophy of Three Trips, One Team: While there are three different locations offered, our goal is to operate as one STM team before and after the trips. We will have one:
