### Trip Summary:

Participants will be serving with full time counselors at a summer evangelism and discipleship camp for inner city youth. Roles include co-counselors and activities directors. This is an amazing opportunity to share the love of Jesus with kids who are starving for attention and direction.

**In the Fall of 2005** the Castlevision Missions Committee established the STM subcommittee and commissioned them to prayerfully create a plan for short term missions at Castlevision. We are excited to present three mission trip opportunities for summer 2010. We hope that you will prayerfully consider your involvement by going, praying, supporting and/or communicating. We want the whole body at Castlevision to actively participate in STM for the glory of the Lord!

The Philosophy of Three Trips, One Team: While there are three different locations offered, our goal is to operate as one STM team before and after the trips. We will have one:

Info Brochure

Applications for each trip can be filled out online under the "Missionary Ministry", then "Short Term Missions" section of the Castlevision website: [castlevision.org](http://castlevision.org)
